**Re: City of Brooklyn Landfill
Director's Authorization
Approval
Municipal Solid Waste Landfills
Cuyahoga County
MSWL018802**

**Subject: City of Brooklyn Landfill, Cuyahoga County
Approval of Alternative Location for Operating Record**

Dear Mr. Verba:

On July 5, 2019, the Ohio Environmental Protection Agency (Ohio EPA), Northeast District Office (NEDO), Division of Materials and Waste Management (DMWM) received a request, dated July 2, 2019, to relocate the operating record during the post closure care period for City of Brooklyn Landfill (Facility) located in Cuyahoga County. The operating record would be relocated to City of Brooklyn City Hall, Service Director's Office at 7619 Memphis Avenue, Brooklyn, Ohio.

Pursuant to Ohio Administrative Code (OAC) Rule 3745-27-09(C), the operating record shall be located at the sanitary landfill facility. However, upon the commencement of the post-closure care period for all units of a sanitary landfill facility, the director may approve an alternative location for the operating record. The operating record shall be available for inspection by Ohio EPA and the approved health department during normal business hours.

Ohio EPA has reviewed the request and determined that relocating the Facility's operating record to the alternative location would make it available for inspection by Ohio EPA and the approved health department during normal business hours. Therefore, pursuant to OAC Rule 3745-27-09(C), the owner or operator is hereby authorized to move the operating record to the alternative location at City of Brooklyn City Hall, Service Director's Office at 7619 Memphis Avenue, Brooklyn, Ohio.

You are hereby notified that this action of the director is final and may be appealed to the Environmental Review Appeals Commission pursuant to ORC Section 3745.04. The appeal must be in writing and set forth the action complained of and the grounds upon which the appeal is based. The appeal must be filed with the Commission within thirty

(30) days after notice of the Director's action. The appeal must be accompanied by a filing fee of \$70.00, made payable to "Treasurer, State of Ohio." The Commission, in its discretion, may reduce the fee if by affidavit it is demonstrated that payment of the full amount of the fee would cause extreme hardship. Notice of the filing of the appeal shall be filed with the Director within three (3) days of filing with the Commission. Ohio EPA requests that a copy of the appeal be served upon the Ohio Attorney General's Office, Environmental Enforcement Section. An appeal may be filed with the Environmental Review Appeals Commission at the following address:

Environmental Review Appeals Commission
30 East Broad Street, 4th Floor
Columbus, Ohio 43215

If you have any questions regarding this authorization, please contact Bill Lutz of Ohio EPA, NEDO at (330) 963-1245.

Sincerely,

Laurie A. Stevenson
Director
