**Subject: Approval of the Auglaize County Solid Waste Management District's  
Solid Waste Management Plan Update**

Dear Commissioner Regula:

The Director of the Ohio Environmental Protection Agency (Director) reviewed and approved the Auglaize County Solid Waste Management District's (District) ratified draft solid waste management plan update (Plan). Director's Final Findings and Orders approving the Plan are enclosed with this letter. The District should proceed to implement its approved Plan in accordance with the implementation schedule, timeline, and programs contained in the approved Plan.

Please be advised that Ohio Revised Code (ORC) Section 3734.55(C)(4) requires the policy committee to "...annually review implementation of the approved plan... and report its findings and recommendations regarding implementation to the board of county commissioners or board of directors of the district."

Additionally, you are hereby notified that this action of the Director is final and may be appealed to the Environmental Review Appeals Commission pursuant to ORC Section 3745.04. The appeal must be in writing and set forth the action complained of and the grounds upon which the appeal is based. The appeal must be filed with the Commission within thirty (30) days after notice of the Director's action. The appeal must be accompanied by a filing fee of \$70.00 made payable to "Treasurer, State of Ohio." The Commission, in its discretion, may reduce the fee if by affidavit it is demonstrated that payment of the full amount of the fee would cause extreme hardship. Notice of the filing of the appeal shall be filed with the Director within three (3) days of filing with the Commission. Ohio EPA requests that a copy of the appeal be served upon the Ohio Attorney General's Office, Environmental Enforcement Section. An appeal may be filed with the Environmental Review Appeals Commission at the following address:

Environmental Review Appeals Commission  
30 East Broad Street, 4th floor  
Columbus, Ohio 43215

If you have any questions as the District implements the approved Plan, then please contact me at (614) 728-5317 or [kevin.zacharyasz@epa.ohio.gov](mailto:kevin.zacharyasz@epa.ohio.gov).

Sincerely,

Entered Directors Journal

**I. JURISDICTION**

These Director's Final Findings and Orders (Orders) are issued to the Auglaize County Solid Waste Management District (District), pursuant to the authority vested in the Director of the Ohio Environmental Protection Agency (Ohio EPA) under Ohio Revised Code (ORC) Section 3734.55(C).

**II. PARTIES**

These Orders shall be binding upon the District.

**III. DEFINITIONS**

Unless otherwise stated, all terms used in these Orders shall have the same meanings as defined in ORC Chapter 3734 and the rules promulgated thereunder.

**IV. FINDINGS**

The director of Ohio EPA has determined the following findings:

1. Pursuant to Division (A) of ORC Section 3734.56, the policy committee of a solid waste management district (SWMD) with an approved solid waste management plan that contains a planning period of at least fifteen years is required to submit an amended solid waste management plan that complies with the requirements in Divisions (A), (B), (D), and (E)(1) of ORC Section 3734.53 to the director of Ohio EPA on or before the fifth year anniversary of the date the existing solid waste management plan was approved.
2. The District's existing solid waste management plan was approved on March 30, 2016 and covers a planning period of less than fifteen years. The District's draft amended solid waste management plan is due to Ohio EPA on March 30, 2021.

3. Pursuant to Division (D) of ORC Section 3734.56, if the board of county commissioners of a single county solid waste management district determines that circumstances materially changed from those addressed in the District's approved solid waste management plan, then the board of county commissioners can request that the policy committee prepare a draft amended solid waste management plan prior to being required as described in Finding 1 of these Orders.
4. The Auglaize County Commissioners determined that circumstance materially changed from those addressed in the District's solid waste management plan approved on March 30, 2016. The District's policy committee began preparing a draft amended solid waste management plan prior to the date required pursuant to Division (A) of ORC Section 3734.56.
5. On January 30, 2019, Ohio EPA received a draft amended solid waste management plan from the District's Policy Committee.
6. Pursuant to ORC Section 3734.55, the director of Ohio EPA is required to provide the policy committee of a SWMD with a written, nonbinding advisory opinion regarding a draft solid waste management plan and any recommended changes to it that the director considers necessary to affect its approval.
7. On March 18, 2019, Ohio EPA mailed a written, nonbinding advisory opinion concerning the draft amended solid waste management plan received on January 30, 2019 to the District's Policy Committee.
8. Pursuant to ORC Section 3734.55, the policy committee of a SWMD is required to submit a draft solid waste management plan that was ratified in accordance with the criteria established in Division (B) of ORC Section 3734.55 to the director of Ohio EPA to be reviewed for compliance with Divisions (A), (B), (D), and (E)(1) of ORC Section 3734.53.
9. On October 1, 2019, Ohio EPA received a ratified, draft, amended solid waste management plan from the District's Policy Committee.
10. The director has determined that the District's ratified, draft, amended solid waste management plan complies with Divisions (A), (B), (D), and (E)(1) of Section 3734.53 of the ORC.

**V. ORDERS**

1. The District's ratified, draft, amended plan that Ohio EPA received on October 1, 2019 is hereby approved.

2. The District shall proceed to implement its approved solid waste management plan in accordance with the strategies, programs, and activities described in the ratified, draft, amended solid waste management plan.

#### **VI. OTHER APPLICABLE LAWS**

All actions required to be taken pursuant to these Orders shall be undertaken in accordance with the requirements of all applicable local, state, and federal laws and regulations.

#### **VII. RESERVATION OF RIGHTS**

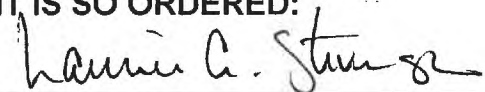

Nothing contained herein shall be construed to prevent Ohio EPA from seeking legal or equitable relief to enforce the terms of these Orders or from taking other administrative, legal, or equitable action as deemed appropriate and necessary, including seeking penalties against the District for noncompliance with these Orders.

Nothing contained herein shall be construed to prevent Ohio EPA from exercising its lawful authority to require the District to perform additional activities pursuant to ORC Chapter 3734 or any other applicable laws in the future. Nothing herein shall restrict the right of the District to raise any administrative, legal, or equitable claim or defense with respect to such further actions which Ohio EPA may seek to require of the District. Nothing in these Orders shall be construed to limit the authority of Ohio EPA to seek relief for violations which may occur.

#### **VIII. EFFECTIVE DATE**
