Your certification number is **CP133**. Enclosed you will find:

- A certificate recognizing you as a certified professional

Your certification expires on **September 21, 2021**, which is one year from issuance unless it is suspended, revoked, or renewed prior to that time.

Continuing education requirements:

- In order to maintain certification, you must complete 12 professional development hour units (PDHUs) IN YOUR CERTIFICATION PERIOD.
- Six of the 12 PDHUs must be earned by attending courses and seminars conducted by Ohio EPA that are approved for PDHUs.
- The remaining PDHUs must be obtained by attending Ohio EPA-approved continuing education courses and/or seminars. Pre-approval is recommended prior to attending a course or seminar.
- You may accrue all necessary PDHUs through VAP-offered training.

You are hereby notified that this action of the Director is final and may be appealed to the Environmental Review Appeals Commission (Commission) pursuant to Section 3745.04 of the Ohio Revised Code. The appeal must be in writing and set forth the action complained of and the grounds upon which the appeal is based. The appeal must be filed with the Commission within thirty (30) days after the notice of the Director's action. The appeal must be accompanied by a filing fee of \$70.00 made payable to "Treasurer, State of Ohio" which the Commission, in its discretion, may reduce if by affidavit you demonstrate that payment of the full amount of the fee would cause extreme hardship. Notice of the filing of the appeal shall be filed with the Director within three (3) days of filing with the Commission. Ohio EPA requests that a copy of the

appeal be served upon the Ohio Attorney General's Office, Environmental Enforcement Section. An appeal may be filed with the Commission at the following address:
