**Subject: Approval of the Summit Akron Solid Waste Management Authority's  
Solid Waste Management Plan Update**

Dear Ms. Shapiro:

The Director of the Ohio Environmental Protection Agency (Director) reviewed and approved the Summit Akron Solid Waste Management Authority's (Authority) ratified draft solid waste management plan update (Plan). Director's Final Findings and Orders approving the Plan are enclosed with this letter. The Authority should proceed to implement its approved Plan in accordance with the implementation schedule, timeline, and programs contained in the approved Plan.

Please be advised that Ohio Revised Code (ORC) Section 3734.55(C)(4) requires the board of trustees to "...annually review implementation of the approved plan... and report its findings and recommendations regarding implementation to the board of county commissioners or board of directors of the district."

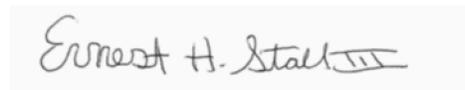

Additionally, you are hereby notified that this action of the Director is final and may be appealed to the Environmental Review Appeals Commission pursuant to ORC Section 3745.04. The appeal must be in writing and set forth the action complained of and the grounds upon which the appeal is based. The appeal must be filed with the Commission within thirty (30) days after notice of the Director's action. The appeal must be accompanied by a filing fee of \$70.00 made payable to "Treasurer, State of Ohio." The Commission, in its discretion, may reduce the fee if by affidavit it is demonstrated that payment of the full amount of the fee would cause extreme hardship. Notice of the filing of the appeal shall be filed with the Director within three (3) days of filing with the Commission. Ohio EPA requests that a copy of the appeal be served upon the Ohio Attorney General's Office, Environmental Enforcement Section. An appeal may be filed with the Environmental Review Appeals Commission at the following address:
