 Ohio Administrative Code (OAC) Rule 3745-30-08(C)(6)(g) Approval**

Dear Mr. Rihtar:

On June 14, 2013, the Ohio Environmental Protection Agency (Ohio EPA), Division of Materials and Waste Management (DMWM), Northeast District Office (NEDO) received a submittal titled "Area B Landfill Groundwater Monitoring Program Plan As Required by OAC 3745-30-08, ArcelorMittal Cleveland LLC" (Plan). The Plan, dated June 13, 2013, was prepared by Burgess & Niple (B&N) on behalf of ArcelorMittal Cleveland (Facility) and was submitted, in part, to request to add statistically different data to the existing background database.

Pursuant to OAC Rule 3745-30-08(C)(6)(g), background data can be added only in blocks of data resulting from the analysis of four or more statistically independent samples after the data have been statistically compared to the current background data and no statistical differences are detected, unless another method is deemed acceptable to the director.

ArcelorMittal Cleveland has proposed using the following statistically significant data from wells MW-24D, MW-65S, MW-66S, MW-67S, and MW-68S as part of the Facility's background:

Well	Parameter	Date	Result
MW-24D	Nickel	12/5/2011	<0.002
MW-24D	Nickel	6/18/2012	<0.004

MW-65S	Nickel	12/5/2011	<0.011
MW-65S	Nickel	6/18/2012	<0.015
MW-65S	Nickel	12/3/2012	<0.015
MW-66S	Nickel	12/5/2011	<0.015

Ohio EPA has reviewed the applicable information and concurs with the addition of the above data to existing background data. Therefore, pursuant to OAC Rule 3745-30-08(C)(6)(g), the owner or operator is hereby authorized to incorporate the above data in the Facility's background data.

You are hereby notified that this action of the Director of Environmental Protection (Director) is final and may be appealed to the Environmental Review Appeals Commission pursuant to Ohio Revised Code Section 3745.04. The appeal must be in writing and set forth the action complained of and the grounds upon which the appeal is based. The appeal must be filed with the Commission within thirty (30) days after notice of the Director's action. The appeal must be accompanied by a filing fee of \$70.00 made payable to "Treasurer, State of Ohio." The Commission, in its discretion, may reduce the fee if by affidavit it is demonstrated that payment of the full amount of the fee would cause extreme hardship. Notice of the filing of the appeal shall be filed with the Director within three (3) days of filing with the Commission. Ohio EPA requests that a copy of the appeal be served upon the Ohio Attorney General's Office, Environmental Enforcement Section. An appeal may be filed with the Environmental Review Appeals Commission at the following address:
