Dear Mr. Halsey

On November 12, 2014, Nexeo Solutions, LLC (Nexeo) submitted an amended post-closure plan for the 3849 Fisher Road, Columbus, Ohio facility to Ohio Environmental Protection Agency (EPA). The amended post-closure plan was submitted pursuant to rule 3745-66-18 of the Ohio Administrative Code (OAC) to demonstrate that Nexeo’s proposal for amended post-closure complies with the requirements of OAC rule 3745-66-18.

The owner or operator and the public were given the opportunity to submit written comments regarding the amended post-closure plan in accordance with the hazardous waste rule requirements. No public comments were received by Ohio EPA.

Based upon review of Nexeo’s submittal, and the subsequent revision submitted on April 22, 2015, I conclude that the amended post-closure plan for the hazardous waste facility, Nexeo Solutions, LLC, located at 3849 Fisher Road, Columbus, Ohio, meets the performance standard contained in OAC rule 3745-66-11 and complies with the pertinent parts of OAC rule 3745-66-18.

The amended post-closure plan submitted to Ohio EPA on November 12, 2014 by Nexeo is hereby approved.

Compliance with the approved post-closure plan is expected. Ohio EPA will monitor such compliance. Ohio EPA expressly reserves the right to take action, pursuant to chapters 3734. and 6111. of the Ohio Revised Code, and other applicable law, to enforce such compliance and to seek appropriate remedies in the event of noncompliance with the provisions and modifications of this approved plan. Be advised that approval of this amended post-closure plan does not release Nexeo from any responsibilities regarding corrective action for all releases of hazardous waste or constituents from any waste management unit, regardless of the time at which waste was placed in the unit.

You are hereby notified that this action of the director is final and may be appealed to the Environmental Review Appeals Commission pursuant to Section 3745.04 of the Ohio Revised Code. The appeal must be in writing and set forth the action complained of and the grounds upon which the appeal is based. The appeal must be filed with the Commission within 30 days after notice of the director’s action. The appeal must be accompanied by a filing fee of $70.00 (made payable to “Ohio Treasurer of State”), which the Commission, in its discretion, may reduce if by affidavit you demonstrate that payment of the full amount of the fee would cause extreme hardship. Notice of the filing of the appeal shall be filed with the director within three days of filing with the Commission. Ohio EPA requests that a copy of the appeal be served.
