Dear Ms. Roberts:

On May 12, 2023, Ohio EPA received a request for a Class 1A (Class 1 requiring prior approval) hazardous waste permit modification from Ohio Refining Company dated May 2, 2023. The modification requested the following change to the permit:

- Facility Name Change from “BP-Husky Refining LLC Toledo Refinery” to “Ohio Refining Company LLC” as the result of a partial ownership change.

With this letter, Ohio EPA approves the above referenced Class 1A modification<sup>1</sup> submitted pursuant to Ohio Administrative Code (OAC) Rule 3745-50-51, and accordingly has updated the facility’s permit application and/or permit. The updated application/permit can be retrieved from the Agency’s eDocument Search web site: <http://edocpub.epa.ohio.gov/publicportal/edochome.aspx>. Using the search function, search under the document type of “Permit” and then refine the search using the facility’s RCRA ID number (Secondary ID) which is noted in the RE: block above.

<sup>1</sup> Please note: If the modification application included a claim for confidentiality, Ohio EPA will retain the confidentiality of the document(s) until the Director makes a final determination in accordance with OAC Chapters 3745-49 and 3745-50 as to whether the document(s) constitutes a trade secret and must remain confidential. Ohio EPA will notify you of any determination made as to the confidentiality of the document(s).
