Ohio Administrative Code (OAC) Rule 3745-27-10(C)(7)(g) Approval**

Dear Mr. Kinsella:

On July 15, 2015, the Ohio Environmental Protection Agency (Ohio EPA), Division of Materials and Waste Management, Southeast District Office received a document titled *Request to Modify the Background Period for Monitoring Well PB-5S* dated July 14, 2015 for the Scioto County Landfill (Facility). This document was submitted by Rumpke Waste, Inc. and prepared on their behalf by SCS Engineers. Rumpke Waste, Inc. has proposed using the statistically significant data from monitoring well PB-5S for chloride as part of the Facility's background data.

Pursuant to OAC Rule 3745-27-10(C)(7)(g), background data can be added only in blocks of data resulting from the analysis of four or more statistically independent samples after the data have been statistically compared to the current background data and no statistical differences are detected, unless another method is deemed acceptable to the Director of Environmental Protection (Director).

Ohio EPA has reviewed the submitted information and concurs with the addition of the submitted data to the existing background data group. Therefore, pursuant to OAC Rule 3745-27-10(C)(7)(g), the owner or operator is hereby authorized to update the background data group for chloride at monitoring well PB-5S as detailed in the July 14, 2015, request.

You are hereby notified that this action of the Director is final and may be appealed to the Environmental Review Appeals Commission pursuant to Ohio Revised Code Section 3745.04. The appeal must be in writing and set forth the action complained of and the grounds upon which the appeal is based. The appeal must be filed with the Commission within thirty (30) days after notice of the Director's action. The appeal must

be accompanied by a filing fee of \$70.00 made payable to "Treasurer, State of Ohio." The Commission, in its discretion, may reduce the fee if by affidavit it is demonstrated that payment of the full amount of the fee would cause extreme hardship. Notice of the filing of the appeal shall be filed with the Director within three (3) days of filing with the Commission. Ohio EPA requests that a copy of the appeal be served upon the Ohio Attorney General's Office, Environmental Enforcement Section. An appeal may be filed with the Environmental Review Appeals Commission at the following address:
