Subject: Hazardous Waste Permit Modification - Class 1A Approval

Dear Mr. Stahelin:

On September 17, 2015, Ohio EPA received a request for a Class 1A (Class 1 requiring prior approval) hazardous waste permit modification from Haverhill Chemicals, LLC dated September 15, 2015. The modification requested the following change to the permit:

Transfer of Ownership

With this letter, Ohio EPA approves the above referenced Class 1A modification1 submitted pursuant to Ohio Administrative Code (OAC) Rule 3745-50-51, and accordingly has updated the facility’s permit application and/or permit. The updated application/permit can be retrieved from the Agency’s eDocument Search web site: http://edocpub.epa.ohio.gov/publicportal/edochome.aspx. Please use the “Advanced” search function and search under the document type of “Permit – Intermediate” and then refine the search using the facility’s RCRA ID number (Secondary ID) which is noted in the RE: block above.

If you have any questions concerning this letter, please contact Donna Goodman of my staff at 740-380-5293.

Sincerely,

Holly Tucker
Chief, Southeast District Office

HT/mr

1 Please note: If the modification application included a claim for confidentiality, Ohio EPA will retain the confidentiality of the document(s) until the Director makes a final determination in accordance with OAC Chapters 3745-49 and 3745-50 as to whether the document(s) constitutes a trade secret and must remain confidential. Ohio EPA will notify you of any determination made as to the confidentiality of the document(s).
