**Subject: Crawford County Landfill, Crawford County
Ohio Administrative Code (OAC) Rule 3745-27-10(C)(7)(g) Approval**

Dear Commissioners and Mr. Adkins:

On September 2, 2015, the Ohio Environmental Protection Agency (Ohio EPA), Division of Materials and Waste Management (DMWM), Northwest District Office (NWDO), received the document titled "*OAC Rule 3745-27-10(D)(7)(c)(ii) Alternate Source Demonstration for Monitoring Wells P-25 and NS-3*" dated August 28, 2015, for Crawford County Landfill (Facility) located in Crawford County. This document was submitted by the Mannik & Smith Group on behalf of Santek Environmental of Ohio, LLC, (operator).

The Alternative Source Demonstration will be addressed through separate correspondence from Ohio EPA. This letter is in regard to a request in the August 28, 2015, submittal to upgrade the background data for NS-3 in accordance with OAC Rule 3745-27-10(C)(7)(g).

Pursuant to OAC Rule 3745-27-10(C)(7)(g), background data can be added only in blocks of data resulting from the analysis of four or more statistically independent samples after the data have been statistically compared to the current background data and no statistical differences are detected, unless another method is deemed acceptable to the director.

Santek Environmental of Ohio, LLC has proposed using the following statistically significant data from NS-3 as part of the Facility's background data.

Well NS-3 Sample Date	Chloride (in mg/L)
March 24, 2009	82
March 25, 2010	78
March 28, 2011	75
April 3, 2012	67
September 18, 2014	70
March 18, 2015	68

Ohio EPA has reviewed the applicable information and concurs with the addition of the above data to existing background data. Therefore, pursuant to OAC Rule 3745-27-10(C)(7)(g), the owner or operator is hereby authorized to incorporate the above data in the Facility's background data.

You are hereby notified that this action of the Director of Environmental Protection (Director) is final and may be appealed to the Environmental Review Appeals Commission pursuant to Ohio Revised Code Section 3745.04. The appeal must be in writing and set forth the action complained of and the grounds upon which the appeal is based. The appeal must be filed with the Commission within thirty (30) days after notice of the Director's action. The appeal must be accompanied by a filing fee of \$70.00 made payable to "Treasurer, State of Ohio." The Commission, in its discretion, may reduce the fee if by affidavit it is demonstrated that payment of the full amount of the fee would cause extreme hardship. Notice of the filing of the appeal shall be filed with the Director within three (3) days of filing with the Commission. Ohio EPA requests that a copy of the appeal be served upon the Ohio Attorney General's Office, Environmental Enforcement Section. An appeal may be filed with the Environmental Review Appeals Commission at the following address:

Environmental Review Appeals Commission

A detailed account of Ohio EPA's review of the ground water demonstration will be sent to you under separate cover.
