## **I. JURISDICTION AND VENUE**

1. The Court has both personal and subject matter jurisdiction over the Parties. The Complaint states a claim upon which relief can be granted against Defendant Rench under Chapters 6109 and 6111 of the Ohio Revised Code. Venue is proper in this Court.

## **II. PERSONS BOUND**

2. All terms and provisions of this Consent Order shall apply to and be binding upon Defendant Rench and his assigns, successors in interest and others bound by Rule 65(D) of the Ohio Rules of Civil Procedure, who are or will be acting in concert and/or in privity with the Defendant. 4. Nothing in this Consent Order shall be construed to limit the authority of the State of Ohio to seek relief against Defendant or other appropriate persons for claims or conditions not alleged in the Complaint, including violations which occur after the filing of the

Complaint, nor shall anything in this Consent Order limit the right of Defendant to any defenses it may have for such claims. Nothing in this Consent Order shall be construed to limit the authority of the State of Ohio to seek relief against other appropriate persons, not covered by this Consent Order for claims or conditions alleged in the Complaint. Similarly, nothing in this Consent Order shall be construed to limit the authority of the State of Ohio to undertake any action against any person, including Defendant, to eliminate or mitigate conditions that may present a threat to the public health, welfare or the environment.

Apartments to the Northern Ohio Rural Water system, Defendant Rensch shall return his license for PWS ID#2201312 to the Ohio Environmental Protection Agency ("Ohio EPA").

**V. EFFECT OF CONSENT ORDER**

8. This Consent Order does not constitute authorization or approval of the construction of any physical structure or facilities, or the modification of any existing public water system or wastewater treatment plant. Approval for any such construction or modification shall be by permit issued by Ohio EPA or other such permits as may be required by applicable federal, state, or local laws, rules or regulations.

## **VII. STIPULATED PENALTIES**

12. In the event that Defendant Rench fails to meet any of the requirements of this Consent Order set forth in paragraph 7, the Defendant shall immediately and automatically be liable for and shall pay a stipulated penalty of two hundred dollars (\$200.00) per day for each requirement not met, for the first sixty (60) days of noncompliance. The Defendant shall be liable for an additional stipulated penalty of four hundred dollars (\$400.00) per day for each requirement not met if the failure to comply continues for more than sixty (60) days but less than one hundred twenty (120) days. In the event that failure to comply continues more than one hundred twenty (120) days, Defendant shall be liable for an additional six hundred dollars (\$600.00) per day for each requirement not met.

13. Any payment required to be made under the provisions of paragraph 12 of this Consent Order shall be made by delivering a certified check or checks, made payable to "Treasurer, State of Ohio", for the appropriate amounts, within forty-five (45) days from the date of the failure to meet the requirement of the Consent Order, by mail, or otherwise, to Martha Sexton, Paralegal or her successor, at the address set forth in paragraph 11.

14. If Defendant Rench fails to meet any of the daily effluent limits of any of his NPDES Permits, the Defendant shall immediately and automatically be liable for and shall pay a stipulated penalty according to the following payment schedule:

- (a) For each day of each failure to comply with the daily effluent limits in its NPDES Permit from one (1) day to thirty (30) days – two hundred fifty dollars (\$250.00) per day per violation not met;

15. For the purpose of calculating stipulated penalties under the provisions of this paragraph, each 7-day period of violations of a specific 7-day average effluent limitation shall be calculated as a single violation. If Defendant fails to meet any of the 7-day average effluent limits of any of his NPDES Permits, the Defendant shall immediately and automatically be liable for and shall pay a stipulated penalty according to the following payment schedule:

- (a) For each first through fourth consecutive failure to meet any 7-day average effluent limitation, five hundred dollars (\$500.00) for each 7-day period during which each failure occurs;
- (b) For each fifth through eight consecutive failure to meet any 7-day average effluent limitation, one thousand dollars (\$1,000.00) for each 7-day period during which each such failure occurs;
- (c) For each ninth through eleventh consecutive failure to meet any 7-day average effluent limitation, one thousand two hundred fifty dollars (\$1,250.00) for each 7-day period during which each such failure occurs;
- (d) For each failure beyond the eleventh consecutive failure to meet any 7-day average effluent limitation, one thousand five hundred dollars (\$1,500.00) for each 7-day period during which each such failure occurs.

16. For the purpose of calculating stipulated penalties under the provisions of this paragraph, each 30-day period of violation of a specific 30-day average effluent limitation shall be calculated as a single violation. If Defendant fails to meet any of the 30-day average effluent

limits of any of his NPDES Permits, the Defendant shall immediately and automatically be liable for and shall pay a stipulated penalty according to the following payment schedule:

- (a) For each failure to meet any 30-day average effluent limitation, one thousand dollars (\$1000.00) for each 30-day period during which each such failure occurs;

17. Payments due under paragraphs 14, 15 and 16 shall be made within forty-five (45) days from the date of the failure to meet the applicable deadline or knowledge of the effluent limitation violation. Payments shall be accompanied by a written explanation of the effluent violation(s). Any payment required to be made under this paragraph shall be made by delivering to Martha Sexton, or her successor, at the address set forth in paragraph 11, a certified check or checks for the appropriate amounts, made payable to "Treasurer, State of Ohio".

18. The payment of stipulated penalties by Defendant and the acceptance of such stipulated penalties by Plaintiff for specific violations pursuant to Section IX shall not be construed to limit Plaintiff's authority to seek additional relief or to otherwise seek judicial enforcement of this Consent Order. Further, payment by Defendants shall not be considered an admission of liability on the part of Defendants.

19. The stipulated penalties imposed by paragraphs 14, 15 and 16 of this Consent Order may be terminated as to each specific paragraph of this Consent Order, for which stipulated penalties are imposed, only after Defendant has achieved and maintained compliance with all the requirements of that paragraph for a period of twelve consecutive months and has paid all stipulated penalties incurred related to that paragraph. Termination of one paragraph subject to stipulated penalties under this Consent Order shall not terminate the accrual of or the liability for payment of stipulated penalties under any other paragraph. Termination of stipulated penalties under this Consent Order shall only be upon written application by any party, and by order of the Court after the Court has made a determination that the requirements of this paragraph have been satisfied.

#### **VIII. POTENTIAL FORCE MAJEURE**

20. In any action to enforce any of the provisions of this Consent Order, Defendant Rench may raise at that time the question of whether it is entitled to a defense that its conduct was caused by reasons beyond its control such as, by way of example and not limitation, act of God, unusually severe weather conditions, strikes, acts of war or civil disturbances, or orders of any regulatory agency. While Plaintiff does not agree that such a defense exists, it is, however, hereby agreed upon by the parties that it is premature at this time to raise and adjudicate the existence of such a defense and that the appropriate point at which to adjudicate the existence of such a defense is at the time that an enforcement action, if any, is commenced. Acceptance of this Consent Order without a force majeure clause does not constitute a waiver by Defendant of any rights or defenses it may have under applicable law.

**IX. COMPLIANCE NOT DEPENDENT ON GRANTS OR LOANS**

21. Performance of the terms of this Consent Order by Defendant Rench is not conditioned on the receipt of any federal or state grant funds or loans. In addition, Defendant Rench's performance is not excused by the failure to obtain or shortfall of any federal or state grant funds or loans, or by the processing of any applications for the same.

**X. RETENTION OF JURISDICTION**

22 The Court will retain jurisdiction of this action for the purposes of overseeing that Defendant Rench complies with this Consent Order and making any order or decree that it deems appropriate to carry out this Consent Order.

**XI. COURT COSTS**

23. Defendant Rench is hereby ordered to pay the court costs of this action.

**XII. ENTRY OF CONSENT ORDER AND FINAL JUDGMENT BY CLERK**

24. This Consent Order is subject to the requirements of 40 C.F.R. 123.27(d)(2)(iii), which provides for notice of the lodging of the Consent Order, opportunity for public comment, and the consideration of any public comments. The Consent Order has been subject to a public comment period, during which no comments were received except from the Court. The parties agree that the Consent Order can now be considered by the Court. Defendant shall pay the costs of public notice associated with this Consent Order.

25. Pursuant to Rule 58 of the Ohio Rules of Civil Procedure, upon signing of this Consent Order by the Court, the clerk is hereby directed to enter it upon the journal. Within three (3)

days of entering the judgment upon the journal, the clerk is hereby directed to serve upon the parties notice of the judgment and its date of entry upon the journal in the manner prescribed by Rule 5(B) of the Ohio Rules of Civil Procedure and note the service in the appearance docket.
