Director's Final
Findings and Orders

Respondent

PREAMBLE

It is agreed by the parties hereto as follows:

I. JURISDICTION

These Director's Final Findings and Orders (Orders) are issued to The Mansfield Paint Company (Respondent) pursuant to the authority vested in the Director of the Ohio Environmental Protection Agency (Ohio EPA) under Ohio Revised Code (ORC) §§ 3734.13 and 3745.01.

II. PARTIES BOUND

These Orders shall apply to and be binding upon Respondent and successors in interest liable under Ohio law. No change in ownership of Respondent or of the Facility shall in any way alter Respondent's obligations under these Orders.

III. DEFINITIONS

Unless otherwise stated, all terms used in these Orders shall have the same meaning as defined in ORC Chapter 3734. and the rules promulgated thereunder.

I certify this to be a true and accurate copy of the
official documents as filed in the records of the Ohio
Environmental Protection Agency.

IV. FINDINGS

The Director of Ohio EPA has determined the following findings:

1. Respondent is a "person" as defined in ORC § 3734.01(G) and Ohio Administrative Code (OAC) rule 3745-50-10(A).
2. Respondent manufactures paints and coatings and is located at 525 West Liberty Street, Medina, Medina County, Ohio (Facility). Respondent notified Ohio EPA of its hazardous waste activities and was issued generator identification number OHR000112425.
3. At the Facility, Respondent generates "hazardous waste" as that term is defined by ORC § 3734.01(J) and OAC rules 3745-50-10(A) and 3745-51-03. Respondent is a small quantity generator of hazardous waste. The hazardous waste generated by Respondent at the Facility includes solvent-based paint washouts and cleanups (D001, F003, F005) and water-based paint washouts and cleanups (D001).
4. On July 27, 2006, Ohio EPA conducted a compliance evaluation inspection at the Facility. As a result of the inspection, Ohio EPA determined that Respondent had:
 - a. Established and operated an unpermitted hazardous waste storage facility, in violation of ORC § 3734.02(E) and (F);
 - b. Failed to ensure that there is at least one employee, either at the Facility or on call, with the responsibility for coordinating all emergency response measures, in violation of OAC rule 3745-52-34(D)(5)(a);
 - c. Failed to post the necessary emergency information next to a telephone at the Facility, in violation of OAC rule 3745-52-34(D)(5)(b);
 - d. Failed to ensure that all employees at the Facility are thoroughly familiar with proper waste handling and emergency procedures, relevant to their responsibilities during normal Facility operations and emergencies, in violation of OAC rule 3745-52-34(D)(5)(C);
 - e. Failed to document inspections of communication and emergency equipment at the Facility, in violation of OAC rule 3745-65-33;

- f. Failed to ensure that adequate aisle space was provided in the hazardous waste storage area, in violation of OAC rule 3745-65-35;
 - g. Failed to mark each container of hazardous waste with the accumulation start date, as well as with the words, "Hazardous Waste," in violation of OAC rule 3745-52-34(A)(2) and (3); and
 - h. Failed to maintain the necessary land disposal restriction notification documents, in violation of OAC rule 3745-270-07(A)(8).
5. In facsimile correspondence dated August 15, 2006, Respondent provided responses to Ohio EPA's July 27, 2006 inspection.
 6. By letter dated August 22, 2006, Ohio EPA notified Respondent of the violations referenced in Finding Nos. 4.a. through 4.h. of these Orders.
 7. In correspondences dated September 21, November 8 and 17, 2006, Respondent provided responses to Ohio EPA's August 22, 2006 letter.
 8. By letter dated December 1, 2006, Ohio EPA notified Respondent that Respondent had abated the violations referenced in Finding No. 4.b. through 4.h. of these Orders.
 9. Because no releases of hazardous waste were observed in the unpermitted storage area at the Facility, the Director has determined that no additional action is required of Respondent at this time regarding the ORC § 3734.02(E) and (F) violation referenced in Finding No. 4.a. of these Orders.
 10. By letter dated April 27, 2007, Respondent submitted financial information in an effort to demonstrate that it did not possess the ability to pay the entire civil penalty settlement included in the Director's Final Findings and Orders proposed to Respondent on March 23, 2007. Ohio EPA reviewed Respondent's financial information and determined that Respondent possesses the financial ability to pay a civil penalty settlement of not more than \$6,500.00.

V. ORDERS

Respondent shall achieve compliance with Chapter 3734. of the ORC and the regulations promulgated thereunder according to the following compliance schedule:

1. Respondent shall pay Ohio EPA the amount of \$6,500.00 in settlement of Ohio EPA's claims for civil penalties, which may be assessed pursuant to ORC Chapter 3734. Of this total amount, \$5,200.00 will be deposited into the hazardous waste cleanup fund established pursuant to ORC § 3734.28 in accordance with the following schedule:
 - a. Within 30 days after the effective date of these Orders, Respondent shall pay to Ohio EPA the amount of \$1,733.33;

A copy of each check shall be submitted in accordance with Section X. of these Orders.

2. In lieu of paying \$1,300.00 of the total civil penalty referenced in Order No. 1, Respondent shall fund a supplemental environmental project (SEP) by making a contribution totaling \$1,300.00 to the Ohio EPA Clean Diesel School Bus Program (Fund 5CD) in accordance with the following schedule:
 - a. Within 30 days after the effective date of these Orders, Respondent shall pay to the Ohio EPA Clean Diesel School Bus Program the amount of \$433.33;
 - b. Within 60 days after the effective date of these Orders, Respondent shall pay to the Ohio EPA Clean Diesel School Bus Program the amount of \$433.33; and
 - c. Within 90 days after the effective date of these Orders, Respondent shall pay to the Ohio EPA Clean Diesel School Bus Program the amount of \$433.34.

Payments shall be made by official checks made payable to "Treasurer, State of Ohio." The official checks shall be submitted to Brenda Case, or her successor, Ohio EPA, Office of Fiscal Administration, Department L-2711, Columbus, Ohio 43260-2711, together with a letter identifying Respondent. A copy of each check shall be submitted in accordance with Section X. of

these Orders, and an additional copy of each check shall be sent to James A. Orlemann, Assistant Chief, SIP Development and Enforcement, or his successor, Ohio EPA, Division of Air Pollution Control, P.O. Box 1049, Columbus, Ohio 43216-1049.

3. Should Respondent miss a scheduled payment as described in Order Nos. 2.a. through 2.c., Respondent shall pay to Ohio EPA the missed payment amount no later than 7 days after the missed payment due date. Payment shall be made in accordance with the procedures established in Order No. 1. A copy of each check shall be submitted in accordance with Section X. of these Orders.

VI. TERMINATION

Respondent's obligations under these Orders shall terminate upon Ohio EPA's receipt of the official checks required by Section V. of these Orders.

VII. OTHER CLAIMS

Nothing in these Orders shall constitute or be construed as a release from any claim, cause of action or demand in law or equity against any person, firm, partnership or corporation, not a party to these Orders, for any liability arising from, or related to, the operation of Respondent's Facility.

VIII. OTHER APPLICABLE LAWS

All actions required to be taken pursuant to these Orders shall be undertaken in accordance with the requirements of all applicable local, state and federal laws and regulations. These Orders do not waive or compromise the applicability and enforcement of any other statutes or regulations applicable to Respondent.
