**Director's Final
Findings and Orders**

PREAMBLE

It is agreed by the parties hereto as follows:

I. JURISDICTION

These Director's Final Findings and Orders (Orders) are issued to Molded Fiber Glass Companies (Respondent) pursuant to the authority vested in the Director of the Ohio Environmental Protection Agency (Ohio EPA) under Ohio Revised Code (ORC) §§ 3734.13 and 3745.01.

II. PARTIES BOUND

These Orders shall apply to and be binding upon Respondent and successors in interest liable under Ohio law. No change in ownership of the Respondent or of the Facility shall in any way alter Respondent's obligations under these Orders.

III. DEFINITIONS

Unless otherwise stated, all terms used in these Orders shall have the same meaning as defined in ORC Chapter 3734. and the rules promulgated thereunder.

IV. FINDINGS

The Director of Ohio EPA has determined the following findings:

1. Respondent operates a business located at 2925 MFG Place, Ashtabula, Ashtabula County, Ohio (Facility).

2. Respondent is a "person" as defined in ORC § 3734.01(G) and Ohio Administrative Code (OAC) rule 3745-50-10(A).
3. At the Facility, Respondent generates "hazardous waste" as that term is defined by ORC § 3734.01(J) and OAC rules 3745-50-10(A) and 3745-51-03. Respondent is identified as a large quantity generator of hazardous waste.
4. Respondent notified Ohio EPA of its hazardous waste activities and was issued generator identification number OHD153745138.
5. On April 7, 8, 14 and May 16, 2005, Ohio EPA conducted a compliance evaluation inspection at Vexor Technology, Inc. located at 955 West Smith Road, Medina, Ohio (Vexor). As a result of this inspection, Ohio EPA determined that Respondent had, on May 16, 2005, transported or caused to be transported three containers of ignitable hazardous waste (D001) to Vexor. Vexor does not hold a hazardous waste facility installation and operation permit issued in accordance with ORC Chapter 3734. The containers of waste were transported as non-hazardous wastes and were accompanied by non-hazardous shipping papers.
6. On June 15, 2005, Vexor shipped the three containers of D001 hazardous waste referenced in Finding No. 5 of these Orders to a permitted hazardous waste disposal facility.
7. Because Respondent failed to properly evaluate its waste to determine if it was hazardous and transported or caused to be transported the three containers of hazardous waste referenced in Finding No. 5 of these Orders to Vexor, a facility not operating under a hazardous waste facility installation and operation permit issued in accordance with ORC Chapter 3734, the Director has determined that Respondent violated OAC rule 3745-52-11 and ORC § 3734.02(F).
8. On November 1, 2006, Respondent caused three additional containers of ignitable hazardous waste (D001) to be transported to Vexor. The containers of waste were transported as non-hazardous wastes and were accompanied by non-hazardous shipping papers. Because Respondent failed to properly evaluate its waste to determine if it was hazardous and transported or caused to be transported the three containers of hazardous waste to Vexor, a facility not operating under a hazardous waste facility installation and operation permit issued in accordance with ORC Chapter 3734., the Director has determined that Respondent violated OAC rule 3745-52-11 and ORC § 3734.02(F).

9. By letter dated January 14, 2008, Respondent submitted documentation to Ohio EPA demonstrating that the hazardous waste containers referenced in Finding Nos. 5 and 8 of these Orders had been properly disposed. Based upon review of this documentation, the Director has determined that no further action by Respondent is necessary to abate the violations referenced in Finding Nos. 7 and 8 of these Orders.

V. ORDERS

Respondent shall achieve compliance with Chapter 3734. of the ORC and the regulations promulgated thereunder according to the following compliance schedule:

1. Respondent shall pay Ohio EPA the amount of \$5,000.00 in settlement of Ohio EPA's claims for civil penalties, which may be assessed pursuant to ORC Chapter 3734., in accordance with the following provisions:
 - a. Within 30 days after the effective date of these Orders, Respondent shall pay Ohio EPA the amount of \$5,000.00 in settlement of Ohio EPA's claims for civil penalties which will be deposited into the hazardous waste cleanup fund established pursuant to ORC c 3734.28. Payment shall be made by an official check made payable to "Treasurer, State of Ohio" for \$5,000.00. The official check shall be submitted to Ohio EPA, Office of Fiscal Administration, Department L-2711, Columbus, Ohio 43260-2711, together with a letter identifying Respondent. A copy of this check shall be submitted in accordance with Section X. of these Orders.

VI. TERMINATION

Respondent's obligations under these Orders shall terminate upon Ohio EPA's receipt of the official check required by Section V. of these Orders.

VII. OTHER CLAIMS

Nothing in these Orders shall constitute or be construed as a release from any claim, cause of action or demand in law or equity against any person, firm, partnership or corporation, not a party to these Orders, for any liability arising from, or related to, the operation of Respondent's Facility.

VIII. OTHER APPLICABLE LAWS

All actions required to be taken pursuant to these Orders shall be undertaken in accordance with the requirements of all applicable local, state and federal laws and regulations. These Orders do not waive or compromise the applicability and enforcement of any other statutes or regulations applicable to Respondent.

IX. MODIFICATIONS

These Orders may be modified by agreement of the parties hereto. Modifications shall be in writing and shall be effective on the date entered in the journal of the Director of Ohio EPA.

XI. RESERVATION OF RIGHTS

Compliance with these Orders shall be a full accord and satisfaction for Respondent's liability for the violations specifically cited herein.

Respondent hereby waives the right to appeal the issuance, terms and conditions, and service of these Orders, and Respondent hereby waives any and all rights Respondent may have to seek administrative or judicial review of these Orders either in law or equity.

Notwithstanding the preceding, Ohio EPA and Respondent agree that if these Orders are appealed by any other party to the Environmental Review Appeals Commission, or any court, Respondent retains the right to intervene and participate in such appeal. In such an event, Respondent shall continue to comply with these Orders notwithstanding such appeal and intervention unless these Orders are stayed, vacated or modified.
