**Subject: Coshocton Landfill , Coshocton County  
 Ohio Administrative Code (OAC) Rule 3745-27-10(C)(7)(g) Approval**

Dear Mr. Brady:

On November 10, 2016, the Ohio Environmental Protection Agency (Ohio EPA), Division of Materials and Waste Management (DMWM), Southeast District Office (SEDO) received a request, dated November 9, 2016, titled "Statistical Analysis Program for Ground-Water Quality Monitoring (Revision 7)." The document was submitted in accordance with OAC Rule 3745-27-10(C)(7)(g) by Eagon and Associates, on behalf of Waste Management, and requested to update the background data group representing the background water quality at monitoring wells CMW-2, CMW-3, CMW-7, and CMW-8 at Coshocton Landfill (Facility) located at 19469 County Road 7 in Coshocton County, Ohio.

Pursuant to OAC Rule 3745-27-10(C)(7)(g), background data can be added only in blocks of data resulting from the analysis of four or more statistically independent samples after the data have been statistically compared to the current background data and no statistical differences are detected, unless another method is deemed acceptable to the director.

Waste Management has proposed using the following statistically significant data from monitoring wells CMW-2, CMW-3, CMW-7, and CMW-8 as part of the Facility's background data.

Monitoring Well	Parameter	Date	Result in mg/L
CMW-2	ammonia	5/28/15	2.02
CMW-2	ammonia	7/14/15	2.00
CMW-2	zinc	11/24/15	0.018
CMW-3	sodium	11/24/15	160
CMW-3	sodium	12/21/15	165
CMW-3	sodium	5/11/16	164
CMW-3	sodium	6/16/16	185
CMW-7	sodium	5/11/16	108
CMW-7	sodium	6/16/16	121

Monitoring Well	Parameter	Date	Result in mg/L
CMW-8	barium	11/24/15	0.286
CMW-8	barium	12/21/15	0.280
CMW-8	barium	5/11/16	0.323
CMW-8	barium	6/16/16	0.350

Ohio EPA has reviewed the applicable information and concurs with the addition of the above data to existing background data. Therefore, pursuant to OAC Rule 3745-27-10(C)(7)(g), the owner or operator is hereby authorized to incorporate the above data in the Facility's background data.

You are hereby notified that this action of the Director of Environmental Protection (Director) is final and may be appealed to the Environmental Review Appeals Commission pursuant to Ohio Revised Code Section 3745.04. The appeal must be in writing and set forth the action complained of and the grounds upon which the appeal is based. The appeal must be filed with the Commission within thirty (30) days after notice of the Director's action. The appeal must be accompanied by a filing fee of \$70.00 made payable to "Treasurer, State of Ohio." The Commission, in its discretion, may reduce the fee if by affidavit it is demonstrated that payment of the full amount of the fee would cause extreme hardship. Notice of the filing of the appeal shall be filed with the Director within three (3) days of filing with the Commission. Ohio EPA requests that a copy of the appeal be served upon the Ohio Attorney General's Office, Environmental Enforcement Section. An appeal may be filed with the Environmental Review Appeals Commission at the following address:

Environmental Review Appeals Commission  
77 South High St., 17<sup>th</sup> Floor  
Columbus, Ohio 43215

If you have any questions concerning this letter, please contact Erika Jackson of Ohio EPA, SEDO at (740) 380-5228.

Sincerely,

Holly Tucker  
Chief, Southeast District Office  
for Craig W. Butler  
Director, Ohio EPA
