**Subject: Rumpke Sanitary Landfill, Hamilton County  
Ohio Administrative Code (OAC) Rule 3745-27-10(C)(7)(g) Approval**

Dear Mr. Butler:

On September 23, 2016, the Ohio Environmental Protection Agency (Ohio EPA), Division of Materials and Waste Management (DMWM), Southwest District Office (SWDO) received a document titled, "Revised Statistical Program Revision 11, OAC Rule 3745-27-10(C)(7)(g) Request for Director's Approval", dated September 21, 2016. The document was prepared in accordance with OAC rule 3745-27-10(C)(7)(g) by Eagon & Associates, Inc. on behalf of Rumpke Sanitary Landfill, Inc. (Rumpke), and requested to update the background data group representing the background water quality at monitoring well MW-13S at Rumpke Sanitary Landfill (Facility) located at 10795 Hughes Road, Cincinnati, Ohio, Hamilton County.

Pursuant to OAC rule 3745-27-10(C)(7)(g), background data can be added only in blocks of data resulting from the analysis of four or more statistically independent samples after the data has been statistically compared to the current background data and no statistical differences are detected, unless another method is deemed acceptable to the director.

Rumpke has proposed using the following statistically significant data from MW-13S as part of the Facility's background data.

Well No.	Parameter	Existing Background Date Range	Proposed Background Date Range
MW-13S	Ammonia	1/08-6/14	1/08-6/16

Ohio EPA has reviewed the applicable information and concurs with the addition of the above data to existing background data. Therefore, pursuant to OAC rule 3745-27-

10(C)(7)(g), the owner or operator is hereby authorized to incorporate the above data in the Facility's background data.

You are hereby notified that this action of the Director of Environmental Protection (Director) is final and may be appealed to the Environmental Review Appeals Commission pursuant to Ohio Revised Code section 3745.04. The appeal must be in writing and set forth the action complained of and the grounds upon which the appeal is based. The appeal must be filed with the Commission within thirty (30) days after notice of the Director's action. The appeal must be accompanied by a filing fee of \$70.00 made payable to "Treasurer, State of Ohio." The Commission, in its discretion, may reduce the fee if by affidavit it is demonstrated that payment of the full amount of the fee would cause extreme hardship. Notice of filing of the appeal shall be filed with the Director within three (3) days of filing with the Commission. Ohio EPA requests that a copy of the appeal be served upon the Ohio Attorney General's Office, Environmental Enforcement Section. An appeal may be filed with the Environmental Review Appeals Commission at the following address:

Environmental Review Appeals Commission  
77 South High Street, 17<sup>th</sup> Floor  
Columbus, Ohio 43215
