Subject: Hazardous Waste Permit Modification - Class 1 Acknowledgment

Dear Ms. Boone:

On November 30, 2016, Ohio EPA received notification for a Class 1 hazardous waste permit modification from INEOS Nitriles USA Inc. dated November 29, 2016. The modification implemented the following change to the permit:

Updates to the facility Emergency Response Procedures found in Section G Appendix G-1 in response to changes in facility personnel.

With this letter, Ohio EPA acknowledges the above referenced Class 1 modification1 submitted pursuant to Ohio Administrative Code (OAC) Rule 3745-50-51, and accordingly has updated the facility’s permit application and/or permit. The updated application/permit can be retrieved from the Agency’s eDocument Search website: http://edocpub.epa.ohio.gov/publicportal/edochome.aspx. Using the search function, search under the document type of “Permit” and then refine the search using the facility’s RCRA ID number (Secondary ID) which is noted in the Re: block above.

If you have any questions concerning this letter, please contact Gary Deutschman of my staff at (419) 373-3056.

Sincerely,

Colleen Weaver  
Manager, Northwest District Office  
Division of Environmental Response and Revitalization

1 Please note: If the modification application included a claim for confidentiality, Ohio EPA will retain the confidentiality of the document(s) until the Director makes a final determination in accordance with OAC Chapters 3745-49 and 3745-50 as to whether the document(s) constitutes a trade secret and must remain confidential. Ohio EPA will notify you of any determination made as to the confidentiality of the document(s).
