brass or plastic

**C. Administration building & Bus Garage:**

Built- 1965  
Plumbing Material- Estimated at 90% galvanized steel pipe and  
10% copper pipe  
Fixtures- Steel with internal parts consisting of steel,  
brass or plastic

**D. Football Concession Stand:**

Built-	1965
Plumbing Material-	Galvanized steel pipe
Fixtures-	Steel with internal parts consisting of steel, brass or plastic

**E. Football Locker Room:**

Built-	1965
Plumbing Material-	Galvanized steel pipe
Fixtures-	Steel with internal parts consisting of steel, brass or plastic

**F. Greenhouse:**

Built-	1988
Plumbing Material-	Galvanized steel pipe
Fixtures-	Steel with internal parts consisting of steel, brass or plastic

**G. Baseball Concession Stand:**

Built-	1989
Plumbing Material-	Galvanized steel pipe
Fixtures-	Steel with internal parts consisting of steel, brass or plastic

**H. Drinking Water Well:**

Built-	1965
Pump-	Stainless steel and Brass Submersible
Plumbing Material-	Galvanized steel pipe

**I. Locker Room Yard Hydrant:**

Built-	1965
Plumbing Material-	Galvanized steel pipe
Fixtures-	Steel with internal parts consisting of steel, brass or plastic

**J. Baseball Field Yard Hydrant:**

Built-	1975
Plumbing Material-	Galvanized steel pipe
Fixtures-	Steel with internal parts consisting of steel, brass or plastic

**K. Baseball Field Yard Hydrant:**

Built-	1975
Plumbing Material-	Galvanized steel pipe
Fixtures-	Steel with internal parts consisting of steel, brass or plastic

**L. Soccer Field Yard Hydrant:**

Built-	1989
Plumbing Material-	Galvanized steel pipe
Fixtures-	Steel with internal parts consisting of steel, brass or plastic

**M. Soccer Field Yard Hydrant:**

Built-	1989
Plumbing Material-	Galvanized steel pipe
Fixtures-	Steel with internal parts consisting of steel, brass or plastic

**N. Softball Field Yard Hydrant:**

Built-	1989
Plumbing Material-	Galvanized steel pipe
Fixtures-	Steel with internal parts consisting of steel, brass or plastic

**O. Softball Field Yard Hydrant:**

Built-	1989
Plumbing Material-	Galvanized steel pipe
Fixtures-	Steel with internal parts consisting of steel, brass or plastic
