**Subject: Route 2 Auto, Huron County  
OAC Rule 3745-27-54(A)(2)(m) Approval**

Dear Ms. Perry,

On January 12, 2017, the Ohio Environmental Protection Agency (Ohio EPA), Division of Materials and Waste Management (DMWM), Northwest District Office (NWDO) received a verbal request from Mike Galbreath, representing you, to transport more than ten scrap tires at a time from your property located at 4193 and 4195 Laylin Road, Norwalk, Ohio, in Huron County (Property) to a licensed scrap tire recovery facility without registering as a scrap tire transporter. The basis for your request was that your deceased husband operated a salvage yard and placed approximately 2,000 scrap tires on the Property.

Ohio Administrative Code (OAC) Rule 3745-27-54(A)(2)(m) states, in relevant part, that a person may transport scrap tires without obtaining a scrap tire transporter registration if the director specifically authorizes that person, in writing, to transport their scrap tires in order to remove scrap tires from a property to abate a public nuisance or open dump.

In accordance with OAC Rule 3745-27-54(A)(2)(m), I hereby authorize you to transport scrap tires from your property located at 4193 and 4195 Laylin Road, Norwalk, Ohio to the Henry County Commissioners' Class II Scrap Tire Recovery Facility, located at L-622 Township Road 11, Malinta, Ohio, and/or to Willig Tire Recycling LLC, located at 352 South Street, Galion, Ohio, which are licensed scrap tire recovery facilities.

Please be advised that only you are authorized to transport the scrap tires under this authorization and may only use vehicles owned or leased by you. Additionally, you must comply with the shipping paper requirements outlined in OAC Rule 3745-27-57. A copy of this letter must be placed in any vehicle used for transportation of scrap tires, as authorized by this letter.

This authorization shall expire on July 1, 2017, or at the time scrap tire cleanup is complete, whichever occurs first.

You are hereby notified that this action of the Director of Environmental Protection (Director) is final and may be appealed to the Environmental Review Appeals Commission pursuant to Ohio Revised Code Section 3745.04. The appeal must be in writing and set forth the action complained of and the grounds upon which the appeal is based. The appeal must be filed with the Commission with thirty (30) days after notice of the Director's action. The appeal must be accompanied by a filing fee of \$70.00, made payable to "Treasurer, State of Ohio." The Commission, in its discretion, may reduce the fee if by affidavit it is demonstrated that payment of the full amount of the fee would cause extreme hardship. Notice of the filing of the appeal shall be filed with the Director within three (3) days of filing with the Commission. Ohio EPA requests that a copy of the appeal be served upon the Ohio Attorney General's Office, Environmental Enforcement Section. An appeal may be filed with the Environmental Review Appeals Commission at the following address:

Environmental Review Appeals Commission  
77 South High Street, 17<sup>th</sup> Floor  
Columbus, Ohio 43215

If you have any questions concerning this letter, please contact Susan Hardy, DMWM, NWDO at (419) 373-3043.

Sincerely,

Craig W. Butler  
Director
