RE: Hillcrest Estates Mobile Home Court Report Drinking Water Program Hardin County PWS ID: OH3301212

## VERIFICATION FORM FOR COMMUNITY PUBLIC WATER SYSTEMS CLAIMING NO LEAD SERVICE LINES

The owner or operator of all community public water systems must identify and map areas of their distribution system that are known or are likely to contain lead service lines. Systems must submit a copy of the applicable map to the Ohio Department of Health and the Ohio Department of Job and Family Services. Systems must also submit a report to the director containing at least both of the following: (1) The applicable map with narrative, and (2) A list of sampling locations used to collect samples as required by Ohio Revised Code (ORC) Section 6109.121 and any rules adopted thereunder, including contact information for the owner and occupant of each sampling site.

Should a water system determine no lead service lines exist in their distribution system, they must provide information stating they reviewed, at the minimum, historical permit records and local ordinances, distribution maintenance records and information pertaining to installation dates or materials for all services lines. This information must be verified below.

I HEREBY CERTIFY THAT THE FOLLOWING METHOD(S) WERE USED TO DETERMINE NO LEAD SERVICE LINES EXIST IN THIS WATER SYSTEM'S DISTRIBUTION SYSTEM, AS REQUIRED BY ORC 6109.121(F):

LEAD SERVICE LINE VERI	FICATION	
This PWS states they have no lead service reviewed the following information (select following):	ce lines and has ct one or more of	the
<ul> <li>Historical permit records and/or local</li> <li>Distribution maintenance records (i.e. waterline break repairs)</li> <li>Information pertaining to installation of (i.e. after 1986 when lead services line Service line material of all service line service lines are known to be PVC)</li> </ul>	, meter replaceme dates for all service nes were banned)	lines
Service lines are known to be t voj

Lead and copper narrative for Hillcrest Estates #3301212

Hillcrest Estates MHP was built in approximately 1982. In 1994 new plastic distribution and service lines were installed.

There are no lead service lines in the park.

Due to the age of the park and trailers, they have plastic piping in them.
