

GREEN MEADOWS MOBILE HOME PARK  
3427 SPORTSMAN CLUB ROAD  
JOHNSTOWN OH 43031  
740 587 3441

February 27, 2017

Ohio EPA District Office, Central  
DDAGW  
P O Box 1049  
Columbus OH 43215

PWS ID: OH4500712

Enclosed please find our completed map of the park showing each mobile home, a copy of our spreadsheet for lead and copper sample sites and a narrative. (The SMP ID info was also submitted by email Jan 13, 2017)

We have provided a copy of the map to the ODH and Ohio Dept of Jobs and Family Services this day as well.

Sincerely,

A handwritten signature in black ink, appearing to read "Neisha S Grubaugh".

Neisha S Grubaugh

Green Meadows Mobile Home Park

Lead Service Line Narrative 2017

All service lines to homes are plastic, they then transition to galvanized steel risers and finally to copper tubing connecting to the homes.

Homes have plastic piping but may have some interior plumbing fixtures which may or may not contain lead.

There is no lead piping or lead soldered joints in the park water system.
