This map does not verify the presence of lead in any of the lines or structures shown. There has been no record of any found lead service lines based on historical maintenance, operation records, customer and/or utility staff verification. This map is not intended for design engineering, or construction purposes. Information and data contained or accessed within this map emanates from various and public sources and may contain errors or omissions. This map remains under development and is subject to change with or without notice. All data, information and documentation within this map are provided "as is" without warranty of any kind, either expressed or implied. The suitability of the data and information contained in this map is not guaranteed, and the user assumes all risks for such uses. All questions, comments and data errors should be directed towards the Village of Lowell by phone (740) 896-3086 or by email at Lowellwastewater@gmail.com
