

Village of Syracuse Water System Inventory

Source: Esri, DigitalGlobe, GeoEye, Earthstar Geographics, CNES/Airbus DS, USDA, USGS, AEX, Getmapping, Aerogrid, IGN, IGP, swisstopo, and the GIS User Community

The Village has no control over the interior plumbing of each structure on the system. Due to new operators unfamiliarity with the system we do not have definitive knowledge indicating what materials have been used in construction of the system.
