

New Pointe Community Church
3950 St. Rt. 39
Dover, Ohio 44622
330-365-2225

New Pointe Community Church was constructed in 2005. It is served by one well that enters the building via a plastic service line. The water is treated with chlorine for disinfection and softened by ion exchange. The piping throughout the building consists of plastic and copper pipe. The fixtures installed at the time of construction were new.
