Five Point MHP Report Lead Mapping Drinking Water Program Wood County PWS ID: OH8704312

Date: February 23, 2017

Five Point MHP Lead Mapping additional information

The Mobile Home Park is listed as a class A community public water supply system.

Address is 24370 McCutcheonville Rd.

Telephone No. 419 893-4879

The PWS ID No. is OH8704312 and the Facility ID is 8759928

The Mobile Home Park has 32 spaces for homes with 2 vacant lots.

The Mobile home park was constructed in the early 70's.

The Water mains consist of 2 inch PVC, with service lines consisting of galvanized pipe and PEX pipe.

Buildings in Ohio built prior to 1998 or that use plumbing material or solder manufactured before 1998 may have materials with greater than 8% lead and are at a higher risk of contributing lead to the drinking water than materials manufactured after 1998. In addition, buildings built and plumbing materials manufactured after 2014 were required to have less than 0.25% lead by weight and have the lowest risk for contributing lead to the drinking water. It should be noted however that, although prohibited, some use of leaded solder or leaded components may have occurred after the prohibitions became effective.

The map included on page 1 is color coded as follows:

Green - Water mains

The map included on page 2 is color coded as follows:

Yellow - Trailers built before 1986

Green - Trallers built 2014 or newer

Lots 21 and 26 are vacant with no building currently on lot.
