**Subject: Evergreen Recycling and Disposal, Wood County  
Ohio Administrative Code (OAC) Rule 3745-27-10(E)(4)(g) Approval**

Dear Mr. Lonneman:

On April 4, 2017, the Ohio Environmental Protection Agency (Ohio EPA), Division of Materials and Waste Management (DMWM), Northwest District Office (NWDO) received a request, dated March 9, 2017, titled "*Evergreen Recycling and Disposal Facility, Wood County OAC 3745-27-10(E)(4)(g) Demonstration and Request for Director's Approval to Remove EDB and DBCP*". The document was submitted in accordance with OAC Rule 3745-27-10(E)(4)(g) by Eagon & Associates, Inc., on behalf of Waste Management, and requested to remove 1,2-Dibromo-3-chloropropane (DBCP) and 1,2-Dibromoethane (EDB) from the constituents in the assessment monitoring program to be analyzed in monitoring wells at Evergreen Recycling and Disposal Landfill (Facility) located at 2625 East Broadway, Northwood, Ohio 43619.

Pursuant to OAC Rule 3745-27-10(E)(4)(g), the owner or operator of a sanitary landfill facility may propose in writing to delete any of the constituents in the assessment monitoring program monitored to meet the requirements of paragraph (E) of OAC Rule 3745-27-10. The Director of Environmental Protection may approve an alternative list of monitoring parameters if the removed parameters are not reasonably expected to be in or derived from the waste contained or deposited in the sanitary landfill facility. Upon approval, the owner or operator may use the alternative list.

I have reviewed the applicable information and approve the alternative list removing DBCP and EDB from the assessment monitoring program at the Facility. The Facility shall continue monitoring all wells in the monitoring system for the remaining parameters listed in Appendix I and II in accordance with OAC Rule 3745-27-10, unless otherwise authorized by Ohio EPA.

The Commission, in its discretion, may reduce the fee if by affidavit it is demonstrated that payment of the full amount of the fee would cause extreme hardship. Notice of the filing of the appeal shall be filed with the Director within three (3) days of filing with the Commission. Ohio EPA requests that a copy of the appeal be served upon the Ohio Attorney General's Office, Environmental Enforcement Section. An appeal may be filed with the Environmental Review Appeals Commission at the following address:
