Ohio EPA JUL 17 '17  
Entered Directors Journal

Dear Ms. Brown:

On June 16, 2017, the Ohio Environmental Protection Agency (Ohio EPA), Division of Materials and Waste Management (DMWM), Northwest District Office (NWDO) received a verbal request from you to transport scrap tires from your property located on County Road M, Pioneer, Ohio in Williams County (Property). This request is to allow you to transport more than ten scrap tires per load from the Property to a licensed scrap tire recovery facility without registering as a scrap tire transporter. This request is in response to your purchase of a property with approximately 1,800 scrap tires on it, and the May 17, 2017 Consensual Director's Final Findings and Orders requiring removal of the scrap tires from the Property.

Ohio Administrative Code (OAC) Rule 3745-27-54(A)(2)(m) states, in relevant part, that a person may transport scrap tires without obtaining a scrap tire transporter registration if the director specifically authorizes that person, in writing, to transport their scrap tires in order to remove scrap tires from a property to abate a public nuisance or open dump.

In accordance with OAC Rule 3745-27-54(A)(2)(m), I hereby authorize Jackie Brown to transport scrap tires from County Road M, Pioneer, Ohio to the Henry County Commissioners' Class II Scrap Tire Recovery Facility, which is a licensed scrap tire recovery facility, located at L-622 Township Road 11, Malinta, Ohio.

Be advised that only you are authorized to transport the scrap tires under this authorization and may only use vehicles owned or leased by you.

This authorization shall expire on May 17, 2018, or at the time scrap tire cleanup is complete, whichever occurs first.

You are hereby notified that this action of the Director of Ohio EPA (Director) is final and may be appealed to the Environmental Review Appeals Commission pursuant to Ohio Revised Code Section 3745.04. The appeal must be in writing and set forth the action complained of and the grounds upon which the appeal is based. The appeal must be filed with the Commission within thirty (30) days after notice of the Director's action. The appeal must be accompanied by a filing fee of \$70.00 made payable to "Treasurer, State of Ohio." The Commission, in its discretion, may reduce the fee if by affidavit it is demonstrated that payment of the full amount of the fee would cause extreme hardship. Notice of the filing of the appeal shall be filed with the Director within three (3) days of filing with the Commission. Ohio EPA requests that a copy of the appeal be served upon the Ohio Attorney General's Office, Environmental Enforcement Section. An appeal may be filed with the Environmental Review Appeals Commission at the following address:

Environmental Review Appeals Commission  
77 South High St., 17<sup>th</sup> Floor  
Columbus, Ohio 43215
