Dear Mr. Milo:

On September 5, 2017, the Director of Ohio EPA approved a final Class 2 modification application from Cytec Industries, Inc. It will incorporate the Performance Monitoring Plan into the permit and adjusts the long-term groundwater monitoring program for the site located at 1405 Greene Street, Marietta, Ohio 45750 in Washington County. This modified permit will allow Cytec to make the requested changes. To issue this final permit, Ohio EPA determined that the modification application is complete and meets appropriate standards.
