**Re: Ohio Valley Waste Service, Inc.
Permit - Long Term
Approval
Municipal Solid Waste Transfer Facilities
Trumbull County
MSWTF018425**

Subject: Final Permit to Install Application for Ohio Valley Waste Service, Inc.'s New Transfer Facility

Dear Sir or Madam:

The Ohio Environmental Protection Agency, pursuant to Ohio Administrative Code Rule 3745-27-02 and the rules adopted thereunder, has reviewed the application for a permit with accompanying detail plans, specifications and/or information (hereinafter referred to as "application") regarding the above-referenced facility. This application has been approved by the Director subject to the conditions of compliance contained in the permit approval enclosed herewith and with all applicable laws, rules and standards. All construction must be supervised by an engineer or expert qualified in such work. Because the permit approval contains conditions of compliance, I urge you to read it carefully. No Response to Comments documents are attached as no comments were received.

You are requested to submit within thirty (30) days of the date of issuance of this Permit to Install, the required permit fee balance fee of two thousand one hundred dollars (\$2,500.00 - \$400.00 application fee = \$2100.00), payable to **Treasurer, State of Ohio**. Please send the required payment to:
Ohio Environmental Protection Agency

Permit to Install Fee
Dept L-2711
Columbus, OH 43260-2711

Payment of the \$2,100.00 fee within 30 days is a requirement of ORC Sections 3745.11 (Q) and (V). Failure to timely submit the required permit fee will result in an assessment of late penalties.

You are hereby notified that this action of the Director of Ohio EPA (Director) is final and may be appealed to the Environmental Review Appeals Commission pursuant to Section 3745.04 of the Ohio Revised Code. The appeal must be in writing and set forth the action

complained of and the grounds upon which the appeal is based. The appeal must be filed with the Commission within thirty (30) days after notice of the Director's action. The appeal must be accompanied by a filing fee of \$70.00 made payable to "Treasurer, State of Ohio." The Commission, in its discretion, may reduce the fee if by affidavit it is demonstrated that payment of the full amount of the fee would cause extreme hardship. Notice of the filing of the appeal shall be filed with the Director within three (3) days of filing with the Commission. Ohio EPA requests that a copy of the appeal be served upon the Ohio Attorney General's Office, Environmental Enforcement Section. An appeal may be filed with the Environmental Review Appeals Commission at the following address:

Environmental Review Appeals Commission
30 East Broad Street 4th Floor
Columbus, Ohio 43215

If you have any questions, please contact the Ohio EPA District Office to which you submitted your application.

Sincerely,

Brian Dearth, Administrative Officer 1
Division of Materials and Waste Management

Permit: New Municipal Solid Waste Transfer Facility

Issuance Date: April 2, 2018

Effective Date: April 2, 2018

The above-named entity is hereby issued a permit-to-install (permit) for the above-described source pursuant to Ohio Administrative Code (OAC) Rule 3745-555-10. Issuance of this permit does not constitute expressed or implied approval or agreement that, if constructed and/or modified in accordance with the plans, specifications and/or information accompanying the permit application, the above-described source of environmental pollutants will operate in compliance with applicable state and federal laws, rules, and regulations, and does not constitute expressed or implied assurances that if constructed and/or modified in accordance with those plans, specifications, and/or information accompanying the permit application, the above-described source of environmental pollutants will be granted the necessary operating permits and/or licenses. This permit is issued subject to the attached conditions which are hereby incorporated and made a part hereof.

In accordance with Ohio Revised Code (ORC) Section 3734.44, the applicant has exhibited sufficient reliability, expertise, and competency to operate the solid waste facility. This determination is made based upon review of the disclosure statements submitted pursuant to ORC Section 3734.42

PTI SUMMARY

This is a FINAL permit-to-install (PTI No. 1153251) which authorizes construction and operation of Girard Transfer Station (Transfer Facility) located at 1025 Bundy Avenue, Youngstown, Ohio in Trumbull County. Ohio Valley Waste Service, Inc. is the owner and operator and is the PTI applicant.

The operator will also establish financial assurance for facility closure. The proposed Transfer Facility has been designed in accordance with OAC Chapter 3745-555.

The transfer facility will be used to transfer municipal solid waste to a municipal solid waste disposal facility and to sort out recyclables from the incoming waste. Materials will be deposited directly onto the Transfer Facility tipping floor, sorted, consolidated, and reloaded into transfer trailers for transport to a licensed solid waste disposal facility.

This summary is provided solely for informational purposes and does not constitute a part of, or otherwise affect, the attached permit.

PTI CONDITIONS

1. The Director of the Ohio EPA (Director), or an authorized representative, may enter upon the premises of the above-named applicant (permittee) at any reasonable time during construction and operation for the purpose of making inspections, conducting tests, or examining records or reports pertaining to the construction, modification, or installation of the above-described source of environmental pollutants (solid waste transfer facility).
2. The proposed Transfer Facility shall be constructed in strict accordance with the plans, specifications, and information submitted as part of the application for this permit. There may be no deviation from the approved permit or the permit conditions without the express, written approval of the Ohio Environmental Protection Agency (Ohio EPA). Any deviation from the approved permit or the permit conditions may lead to such sanctions and penalties as provided under Ohio law. Approval of these plans does not constitute an assurance that the proposed Transfer Facility will operate in compliance with all Ohio laws and regulations. Additional facilities shall be installed upon orders of Ohio EPA if the proposed Transfer Facility is inadequate or cannot meet applicable standards.
3. Issuance of this permit to install does not relieve the permittee of the duty to comply with all applicable federal, state, and local laws, ordinances, and regulations.
4. This permit shall apply only to the Transfer Facility shown on the plans submitted as part of PTI application number 1153251, received May 15, 2017.
5. This permit may be modified, or alternatively revoked and reissued, to comply with any revisions to OAC Chapter 3745-555 applicable to this Transfer Facility.

6. The owner or operator shall provide for the proper maintenance and operation of the Transfer Facility in accordance with the provisions of OAC Chapter 3745-555.
7. This permit does not authorize the acceptance of any hazardous or infectious waste, except for those excluded from hazardous or infectious waste regulation by ORC Chapter 3734.
8. This permit does not authorize the acceptance of any asbestos or asbestos containing waste material that is subject to the provisions of NESHAP, 40 CFR Part 61, Subpart M.
9. This permit does not authorize the acceptance of whole or shredded scrap tires for transfer to a disposal facility unless they are to be transferred to a scrap tire collection, storage, recovery, monocell, or monofill facility licensed in accordance with OAC Rule 3745-555-650(G)(8), or to a licensed solid waste incinerator.
10. This permit does not authorize the acceptance of yard waste, source-separated yard waste, or mixed yard waste for transfer to a disposal facility unless source separated yard waste will be transferred to a composting facility registered or licensed in accordance with OAC Chapter 3745-555.
11. Not later than thirty (30) days after permit issuance, the permittee shall execute and fully fund a financial assurance instrument which meets the requirements of OAC Rules 3745-503-05 and 3745-503-20.
12. Nothing in this permit shall be construed to authorize any waiver from the requirements of any applicable federal or state laws or regulations except as specified herein. This permit approval shall not be interpreted to release Ohio Valley Waste Service, Inc. from responsibility under ORC Chapters 3704, 3714, 3734, or 6111; under the Federal Clean Water Act, the Resource Conservation and Recovery Act, or the Comprehensive Environmental Response, Compensation, and Liability Act; or from other applicable requirements for remedying conditions resulting from any release of contaminants to the environment.
