David Rush	:	Director's Final Findings
d.b.a. Vagabond Village	:	and Orders
18187 US 127	:	
Cecil, Ohio 45821	:	

Respondent

PREAMBLE

It is agreed by the Parties hereto as follows:

I. JURISDICTION

These Directors Final Findings and Orders (Orders) are issued to David Rush, d.b.a. Vagabond Village (Respondent), pursuant to the authority vested in the Director of the Ohio Environmental Protection Agency (Ohio EPA) under Ohio Revised Code (ORC) §§ 6111.03 and 3745.01.

II. PARTIES BOUND

These Orders shall apply to and be binding upon Respondent and his heirs, assigns and successors in interest liable under Ohio law. No change in the ownership of the Facility as defined in Finding No. 1 of these Orders shall in any way alter Respondent's obligations under these Orders.

III. DEFINITIONS

Unless otherwise stated, all terms used in these Orders shall have the same meaning as defined in ORC Chapter 6111 and the rules promulgated thereunder.

IV. FINDINGS

The Director of Ohio EPA has made the following findings:

1. Respondent, David Rush is the owner of Vagabond Village, a restaurant located on U.S 127, Cecil, Paulding County, Ohio ("Facility"). The Facility is currently utilizing an inadequate septic system for wastewater treatment that discharges raw or partially treated sewage to an unnamed tributary of the Maumee River. The Maumee River and its tributaries are defined as waters of the state, pursuant to ORC Section 6111.01.
2. The Facility was issued an initial National Pollutant Discharge Elimination System ("NPDES") permit, No. 2PR00179*AD, with an effective date of November 1, 2002, and an expiration date of October 31, 2007. The permit contained a schedule of compliance to construct a wastewater treatment plant and sewer system improvements and to meet final effluent limitations in the permit within thirty-six (36) months from the effective date of the permit.
3. A renewal NPDES permit, No. 2PR00179*BD, with an effective date of March 1, 2008 and an expiration date of February 28, 2011, was subsequently issued. This permit contained a schedule of compliance to construct a wastewater treatment plant and sewer system improvements and to meet final effluent limitations in the permit within thirty-six (36) months from the effective date of the permit.
4. An NPDES permit renewal application was submitted to Ohio EPA on April 16, 2012. To date, Ohio EPA has not issued a renewal permit.
5. The Facility has been in noncompliance with final effluent limitations since the issuance of its permit in 2002. Respondent has, on at least the dates listed in the chart attached hereto as Attachment I and incorporated by reference as if fully rewritten herein, exceeded final effluent limitations in its NPDES permit for CBOD5, TSS, ammonia, fecal coliform, and dissolved oxygen from November 2005 through June 2012. Respondent's failure to comply with the final effluent limitations in its NPDES permit is a violation of the permit and ORC §§ 6111.04 and 6111.07. Each violation cited on Attachment I constitutes a separate violation.
6. Ohio EPA sent Notices of Violation (NOVs) to Vagabond Village on May 10, 2004, November 8, 2007, April 26, 2010, October 14, 2010, March 31, 2011 and October 5, 2011.
7. Ohio EPA conducted inspections of the Facility on April 12, 2010, March 24, 2011, and September 1, 2011. Ohio EPA met with Respondent on December 6, 2011 and exchanged correspondence concerning compliance options for the Facility.
8. To date, Respondent has not submitted plans for achieving compliance with effluent limitations in the permit.

9. In accordance with Ohio Administrative Code ("OAC") 3745-33-02(A), no person may discharge any pollutant or cause, permit, or allow a discharge of any pollutant without applying for and obtaining an Ohio NPDES permit.
10. In accordance with OAC 3745-38-02(A), no person may discharge any pollutant or cause, permit, or allow a discharge of any pollutant from a point source without either applying for and obtaining an Ohio NPDES permit in accordance with OAC Chapter 3745-33, or obtaining authorization to discharge under a general NPDES permit in accordance with OAC Chapter 3745-38.
11. Pursuant to OAC 3745-33-04, all NPDES permit renewal applications must be submitted at least one hundred and eighty days prior to expiration of the permit. Respondent failed to submit an NPDES permit renewal application by September 1, 2010, one hundred eighty days prior to expiration of the Facility's permit.
12. ORC § 6111.04 prohibits any person from causing pollution or causing any sewage, industrial waste or other waste to be placed in any location where they cause pollution to waters of the state, except if such discharges occur in accordance with an NPDES permit issued by the Director.
13. Respondent has been operating with an expired NPDES permit since March 1, 2011, in violation of ORC §§ 6111.04 and 6111.07. Each day of violation is a separate offense.
14. Pursuant to ORC § 6111.07(A), no person shall violate or fail to perform any duty imposed by ORC §§ 6111.01 to 6111.08 or violate any order, rule, or term or condition of a permit issued or adopted by the Director of Ohio EPA pursuant to those sections. Each day of violation is a separate offense.
15. The following Orders do not constitute authorization or approval of the construction of any physical structure or facilities, or the modification of any existing treatment works or sewer system. Any such construction or modification is subject to the permit to install and plan approval requirements of ORC §§ 6111.44 and 6111.45 and OAC Chapter 3745-42.
16. Compliance with ORC Chapter 6111 is not contingent upon the availability or receipt of financial assistance.
17. The Director has given consideration to, and based his determination on, evidence relating to the technical feasibility and economic reasonableness of complying with these Orders and to evidence relating to conditions calculated to result from compliance with these Orders, and its relation to the benefits to the people of the state to be derived from such compliance in accomplishing the purposes of ORC

Chapter 6111.

V. ORDERS

1. Within sixty (60) days after the effective date of these Orders, Respondent shall submit to Ohio EPA for review and approval, in accordance with Section X. of these Orders, a complete and approvable permit to install (PTI) application and detailed plans for installation of a new wastewater treatment system that will attain compliance with ORC Chapter 6111 and the rules promulgated thereunder and, if the wastewater treatment system will discharge to waters of the state, final effluent limitations in NPDES permit No. 2PR00170*BD and any future NPDES permit, or for eliminating the discharge from the Facility.
2. If the PTI application and detailed plans submitted pursuant to Order No. 1 propose installation of a wastewater treatment system that will discharge to waters of the state, within sixty (60) days after the effective date of these Orders, Respondent shall also submit to Ohio EPA for review and approval, in accordance with Section X. of these Orders, a complete NPDES permit application and antidegradation addendum.
3. Respondent shall submit revisions to the PTI application and detailed plans required by Order No. 1, and the antidegradation addendum and NPDES permit application if required by Order No. 2, within twenty-one (21) days of receipt of notification of deficiencies from Ohio EPA. Revisions shall be submitted to Ohio EPA in accordance with Section X. of these Orders.
4. No later than two hundred ten (210) days after approval of the PTI application, Respondent shall complete construction of the new wastewater treatment system and/or eliminate the discharge from the Facility and attain compliance with ORC Chapter 6111 and the rules promulgated thereunder, and if the wastewater treatment system will discharge to waters of the state, with NPDES permit effluent limitations.
5. Within fourteen (14) days of completing the requirements in Order No. 4, Respondent shall provide notice, in writing, to the Ohio EPA of the completion of that Order. Notice shall be sent to the addresses in Section X. of these Orders.
6. Respondent shall pay to Ohio EPA ten thousand dollars (\$10,000.00) in settlement of Ohio EPA's claims for civil penalties which may be assessed pursuant to Chapter 6111 of Ohio Revised Code. Within sixty (60) days after the effective date of these Orders, payment to Ohio EPA shall be made by an official check made payable to "Treasurer, State of Ohio" for ten thousand dollars (\$10,000.00). The official check

shall be submitted to Carol Butler, or her successor, together with a letter identifying the Respondent, to:

Ohio Environmental Protection Agency
Office of Fiscal Administration
P.O. Box 1049
Columbus, Ohio 43216-1049

A copy of the check shall be sent to Ohio EPA in accordance with Section X. of these orders and to Mark Mann, Environmental Manager, Storm Water and Enforcement Section, or his successor, at the following address:

Ohio Environmental Protection Agency
Division of Surface Water
P.O. Box 1049
Columbus, Ohio 43216-1049

VI. TERMINATION

Respondent's obligations under these Orders shall terminate when Respondent certifies in writing and demonstrates to the satisfaction of Ohio EPA that Respondent has performed all obligations under these Orders and the Chief of Ohio EPA's Division of Surface Water, acknowledges, in writing, the termination of these Orders. If Ohio EPA does not agree that all obligations have been performed, then Ohio EPA will notify Respondent of the obligations that have not been performed, in which case Respondent shall have an opportunity to address any such deficiencies and seek termination as described above.

This certification shall contain the following attestation: I certify that the information contained in or accompanying this certification is true, accurate and complete.

This certification shall be submitted by Respondent to Ohio EPA and shall be signed in accordance with OAC Rule 3745-42-03(B).

VII. OTHER CLAIMS

Nothing in these Orders shall constitute or be construed as a release from any claim, cause of action or demand in law or equity against any person, firm, partnership or corporation, not a party to these Orders, for any liability arising from, or related to, the Facility.

VIII. OTHER APPLICABLE LAWS

All actions required to be taken pursuant to these Orders shall be undertaken in accordance with the requirements of all applicable local, state, and federal laws and regulations. These Orders do not waive or compromise the applicability and enforcement of any other statutes or regulations applicable to the Facility

IX. MODIFICATIONS

These Orders may be modified by the agreement of the parties hereto. Modifications shall be in writing and shall be effective on the date entered in the journal of the Director of Ohio EPA.

X. NOTICE

All documents required to be submitted by Respondent pursuant to these Orders shall be addressed to:

Ohio Environmental Protection Agency
Northwest District Office
Division of Surface Water
Attn: DSW Enforcement Unit Supervisor
347 North Dunbridge Road [P.O. Box 466]
Bowling Green, Ohio 43402

or to such persons and addresses as may hereafter be otherwise specified in writing by Ohio EPA.

XI. RESERVATION OF RIGHTS

Ohio EPA and Respondent each reserve all rights, privileges and causes of action, except as specifically waived in Section XII. of these Orders.

XII. WAIVER

In order to resolve disputed claims, without admission of fact, violation or liability, and in lieu of further enforcement action by Ohio EPA for only those violations specifically cited in these Orders, Respondent consents to the issuance of these Orders and agrees to comply with these Orders. Compliance with these Orders shall be a full accord and satisfaction for Respondent's liability for the violations specifically cited herein.

Respondent hereby waives the right to appeal the issuance, terms and conditions, and service of these Orders and Respondent hereby waives any and all rights Respondent may have to seek administrative or judicial review of these Orders either in law or equity.

Notwithstanding the preceding, Ohio EPA and Respondent agree that if these Orders are appealed by any other party to the Environmental Review Appeals Commission, or any court, Respondent retains the right to intervene and participate in such appeal. In such an event, Respondent shall continue to comply with these Orders notwithstanding such appeal and intervention unless these Orders are stayed, vacated or modified.

XIII. EFFECTIVE DATE

The effective date of these Orders is the date these Orders are entered into the Ohio EPA Director's journal.

XIV. SIGNATORY AUTHORITY

Each undersigned representative of a party to these Orders certifies that he or she is fully authorized to enter into these Orders and to legally bind such party to these Orders.
