**I. JURISDICTION**

These Director's Final Findings and Orders ("Orders") are issued to Pittsburgh Glass Works, LLC. ("Respondent") pursuant to the authority vested in the Director of the Ohio Environmental Protection Agency ("Ohio EPA") under Ohio Revised Code ("ORC") 6111.03 and 3745.01.

**II. PARTIES BOUND**

These Orders shall apply to and be binding upon Respondent and successors in interest liable under Ohio law. No change in the composition of Respondent shall in any way alter Respondent's obligations under these Orders.

**III. DEFINITIONS**

Unless otherwise stated, all terms used in these Orders shall have the same meaning as defined in ORC Chapters 6111 and 3745, and the rules promulgated thereunder.

**IV. FINDINGS**

1. Respondent owns a property ("Site") located at 5066 Lincoln Highway in Crestline, Richland County, Ohio 44827.
2. Respondent installed upgrades to their industrial treatment system (a second sand filter and two pumps) without Ohio EPA's review and approval via a Permit-to-Install (PTI) for the above-mentioned Site.
3. Pursuant to ORC Section 6111.45, No municipal corporation, county, public institution, corporation, or officer or employee thereof or other person shall establish as proprietor, agent, employee, lessee, or tenant, any garbage disposal plant, shop, factory, mill, industrial establishment, process, trade, or business in

4. Pursuant to Ohio Administrative Code ("OAC") Section 3745-42-02(A)(1), no person shall cause, permit, or allow the installation of a new disposal system or cause, permit, or allow the modification of a disposal system without first obtaining and individual PTI, a general PTI, or plan approval in accordance with this chapter and all other applicable rules and laws.
  5. On January 23, 2018, Ohio EPA performed an inspection of the Site and observed upgrades to the industrial treatment system (a second sand filter had been installed and two pumps in the process of being installed). Ohio EPA had not yet received a PTI for the observed treatment system upgrades.
  6. On February 7, 2018, Ohio EPA issued the Respondent a Notice of Violation (NOV) for completing an industrial treatment installation prior to receiving approval via a PTI from Ohio EPA.
  7. On March 7, 2018, Respondent submitted a response to the NOV. According to the Respondent, an As-Built PTI application would be submitted by April 20, 2018. The Respondent submitted an As-Built PTI application on April 17, 2018.
  8.
