RE: AVON LAKE POWER PLANT
AIR PERMIT
LORAIN COUNTY
DAPC FACILITY ID # 0247030013
DIVISION OF AIR POLLUTION CONTROL

Daniel A. Rogatto
Plant Manager
Avon Lake Plant
33570 Lake Road
Avon Lake, Ohio 44012

Subject: Notice of Compliance

Dear Mr. Rogatto:

Thank you for accompanying me during Ohio EPA's March 22, 2019 inspection of Avon Lake Power Plant (ALPP) located at 33570 Lake Road, in Avon Lake, Ohio. I inspected the facility to determine its compliance with Ohio's Air Pollution Control laws as found in Chapter 3704 of the Ohio Revised Code (ORC) and regulations found in Chapter 3745 of the Ohio Administrative Code (OAC) and/or the permit terms and conditions of ALPP's Title V operating permit P0085253. Ohio EPA's inspection included a review of company operations and written documentation.

I found no violations of Ohio's Air Pollution Control laws, regulations or permit requirements during this inspection. Please be advised that this notice of compliance is only associated with those areas of the operations that were inspected or documentation reviewed and does not constitute a waiver of potential violations not discovered.

The recommendation(s) set out below are NOT orders. The recommendations are offered by Ohio EPA in an effort to provide compliance assistance to your facility.

During review of the facility's quarterly reports as part of the compliance evaluation, it was found that SO₂ and NO_x emission summaries and cylinder gas audits were missing from reports submitted between the 2nd quarter of 2017 and 4th quarter of 2018. The facility was notified of this on April 11, 2019, and the omitted information was included as an attachment to the facility's 1st quarter 2019 deviation report (submitted April 25, 2019). As a reminder, ALPP should continue to report all required information per the reporting requirements of Title V operating permit P0085253.

You can find Ohio's Air Pollution Control rules and other information on the division's web page at: <http://www.epa.ohio.gov/dapc/AirPollutionControl.aspx>
