Permit Modification

This Modified Ohio Hazardous Waste Facility Installation and Operation Permit is issued pursuant and subject to Section 3734.05(I) of the Ohio Revised Code and Rule 3745-50-51(D) of the Ohio Administrative Code.

The Ohio Hazardous Waste Facility Installation and Operation Permit for the facility with the above-referenced ID number as issued by the Ohio Environmental Protection Agency and journalized on September 25, 2013, and as subsequently modified by the Ohio Environmental Protection Agency, is hereby incorporated by reference in its entirety, except as it may be modified herein. This modification of the permit shall remain in effect until such time as the Ohio Hazardous Waste Facility Installation and Operation Permit is renewed, modified, withdrawn, suspended, or revoked. Per this modification, Univar Solutions USA, Inc. is taking ownership of storage of hazardous waste operations from Nexeo Solutions, LLC. Ashland, LLC. will retain permit conditions for Corrective Action requirements.

The Permittee shall comply with all requirements of the modified permit application as amended or supplemented on June 3, 2019. The information contained in the modified permit application is incorporated herein by reference. Specifically, all written statements regarding the specifications, locations, or capabilities of the processes, equipment, containment devices, safety devices or programs, or other matters made by the applicant in the permit modification application are hereby incorporated as express, binding terms and conditions of this modified permit.

Permit Modification Approval

As entered into the Director's Journal:

Date:

June 16, 2021

Laurie A. Stevenson, Director
Ohio Environmental Protection Agency
