

**Austin Powder - Red Diamond Plant
MAILING LIST NOTIFICATION
Vinton County**

On July 1, 2021, Ohio EPA received a Renewal Hazardous Waste Facility Installation and Operation Permit Application from Austin Powder - Red Diamond Plant, U.S. EPA Identification Number OHD 004 293 775, for its facility located at 430 Powder Plant Road, McArthur, OH 45651 in Vinton County. Austin Powder Company – Red Diamond Plant treats reactive hazardous waste by open burning in the designated burning area at the Red Diamond Plant. The purpose of this permit is to allow Austin Powder Company – Red Diamond Plant to continue the following hazardous waste management activities: treatment of reactive hazardous waste by open burning.

For the permit application to receive final approval, Ohio EPA must determine that the permit application is complete and meets appropriate standards and that the applicant has a history of compliance with relevant environmental laws and demonstrates sufficient reliability, expertise, and competency to operate a hazardous waste facility.

Please contact Christina Boehm at christina.boehm@epa.ohio.gov or at (614) 728-8961 to make arrangements on viewing the permit application or to be put on the facility mailing list. The Permit Application can also be viewed online at: <http://edocpub.epa.ohio.gov/publicportal/ViewDocument.aspx?docid=1596908>

Questions to the facility regarding the permit application should be addressed to: Mr. Jason Lyons, Austin Powder Company – Red Diamond Plant, 3200 Powder Plant Rd, McArthur, OH 45651, (740) 596-5286
