**Subject: Approval of the Belmont Jefferson Regional Solid Waste Authority's
Solid Waste Management Plan Update**

Dear Mr. Fabian:

The Director of the Ohio Environmental Protection Agency (Director) reviewed and approved the Belmont Jefferson Regional Solid Waste Authority's (Authority) ratified draft solid waste management plan update (Plan). Director's Final Findings and Orders approving the Plan are enclosed with this letter. The Authority should proceed to implement its approved Plan in accordance with the implementation schedule, timeline, and programs contained in the approved Plan.

Please be advised that Ohio Revised Code (ORC) Section 3734.55(C)(4) requires the policy committee to "...annually review implementation of the approved plan... and report its findings and recommendations regarding implementation to the board of county commissioners or board of directors of the district."

Additionally, you are hereby notified that this action of the Director is final and may be appealed to the Environmental Review Appeals Commission pursuant to ORC Section 3745.04. The appeal must be in writing and set forth the action complained of and the grounds upon which the appeal is based. The appeal must be filed with the Commission within thirty (30) days after notice of the Director's action. The appeal must be accompanied by a filing fee of \$70.00 made payable to "Treasurer, State of Ohio." The Commission, in its discretion, may reduce the fee if by affidavit it is demonstrated that payment of the full amount of the fee would cause extreme hardship. Notice of the filing of the appeal shall be filed with the Director within three (3) days of filing with the Commission. Ohio EPA requests that a copy of the appeal be served upon the Ohio Attorney General's Office, Environmental Enforcement Section. An appeal may be filed with the Environmental Review Appeals Commission at the following address:

Nothing contained herein shall be construed to prevent Ohio EPA from seeking legal or equitable relief to enforce the terms of these Orders or from taking other administrative, legal, or equitable action as deemed appropriate and necessary, including seeking penalties against the Authority for noncompliance with these Orders.

Nothing contained herein shall be construed to prevent Ohio EPA from exercising its lawful authority to require the Authority to perform additional activities pursuant to ORC Chapter 3734 or any other applicable laws in the future. Nothing herein shall restrict the right of the Authority to raise any administrative, legal, or equitable claim or defense with respect to such further actions which Ohio EPA may seek to require of the Authority.
