Dear Mr. Gonzalez:

The Ohio Environmental Protection Agency (Ohio EPA) is in receipt of a letter dated July 13, 2021, in which Tyrex Resources of Ohio, LLC and Campbell Scrap Tire Company, Inc. requested approval to transfer the 2021 solid waste facility license for Campbell Scrap Tire Company Class 2 Scrap Tire Recovery Facility located at 2485 Maysville Pike, Zanesville, Ohio. On August 17, 2021, Tyrex Resources of Ohio, LLC submitted a complete license application containing all required information. After reviewing this information, Ohio EPA has determined that none of the reasons for denial specified in OAC Rule 3745-501-35 apply to Tyrex Resources of Ohio, LLC.

Pursuant to OAC Rule 3745-501-35, Ohio EPA hereby approves the transfer of the solid waste facility license from Campbell Scrap Tire Company, Inc. to Tyrex Resources of Ohio, LLC.

You are hereby notified that this action of the Director of Environmental Protection (Director) is final and may be appealed to the Environmental Review Appeals Commission pursuant to Ohio Revised Code Section 3745.04. The appeal must be filed with the Commission within thirty (30) days after notice of the Director's action. The appeal must be accompanied by a filing fee of \$70.00 made payable to "Treasurer, State of Ohio." The Commission, in its discretion, may reduce the fee if by affidavit it is demonstrated that payment of the full amount of the fee would cause

extreme hardship. Notice of the filing of the appeal shall be filed with the Director within three (3) days of filing with the Commission. Ohio EPA requests that a copy of the appeal be served upon the Ohio Attorney General's Office, Environmental Enforcement Section. An appeal may be filed with the Environmental Review Appeals Commission at the following address:
